

St. Sebastian School & Preschool

325 E Santa Barbara Street
Santa Paula, CA 93060

TUITION INFORMATION FOR 2023-2024

Tuition is an annual cost that is divided into twelve monthly payments, July through June. It is required that all tuition payments are made through FACTS, a tuition management company. Each family registers directly with FACTS for an assigned date and automatic payment. By registering early, you will have the option of lower payments over 12 months. If you register late, your payments will be divided over the remaining months.

Delinquent accounts are immediately referred for professional collection. Past due accounts jeopardize the standing of students in school. If payment of tuition becomes a challenge, please contact the Principal immediately so that a plan can be worked out

In addition to the responsibility of tuition, each family is required to do 40 Service Hours per school year. Each service hour carries a **\$16.00** value. Any hours not completed will be billed to the family account. The Service Hour program invites parents/guardians to become an active member of our School community. Service Hours benefit our students, teachers, staff, and school. If you do not want to participate in the Service Hour program, you can choose to opt out for a fee of **\$25.00 for each** opted out Service hour. Incompleted service hours will be billed at \$25.00 per hour at the end of the school year.

The Annual Student Fee is **\$350.00** per student. This fee is non-refundable. This fee covers the cost of Gradelink registration, textbooks and other academic programs. Other school fees may include After School Care, Sports, Sacrament and Graduation. All fees are processed by and paid directly to the School Office.
